About Children And Teens Centre.

Vision ■ *Children and Teens who know Jesus Christ as Lord and Saviour growing up and serving God.*

Mission ■ *To lead Children and Teens to the knowledge of Jesus Christ as their Lord and Saviour and to teach them to use the Word of God as the basis for decision-making in life.*

Introduction

The CTC is designed to address the rising need for our children and teens to have more space for worship as well as provide other necessary amenities. It will cater for both the spiritual growth and physical well-being of the children and teens.

The ultra-modern facility takes into account the current needs and also the anticipated growth into the future.

All this has been done to ensure that the children and teens are nurtured spiritually so that they grow in their relationship with God.

Costs

It is estimated that the entire project will be built in four-and-a-half (4½) years.

It is divided into three phases and the first phase will take about two years, commencing on 1st November 2017.
